|---|---|---|---|---|---|
| | 8 | | Aya Kasai PhD, MFT, CPP, RCC | Final assignment | Present / Hand in final assignment |
| 学生に対する評価 | Reading, homework, fieldwork activities: 50%, Final presentation/written work: 50%<br><br>The final grade will be determined as follows.<br>A: 90-100 points, B: 80-89 points, C: 70-79 points, D: 60-69 points, F: Less than 60 points<br><br>Plagiarism: Plagiarism is not acceptable at MIU. Students must submit their own work and not copy from other sources, unless they credit their sources with appropriate referencing. Students caught copying information from other sources and pretending that it is their own work will automatically result in a grade of 'F' or withdrawal from the course. | | | | |
| 時間外学習について | 上記授業計画の「授業外学習」参照（See "Homework" in the Course Schedule above.） | | | | |
| テキスト | Handouts will be provided in class. | | | | |
| 参考書・参考資料 | Suggested readings will be provided in class. | | | | |
| 備考 | STUDENT RESPONSIBILITIES:<br>Information for 2026 course participants:<br>This year, the fieldwork will take place on September 7 & 9 in collaboration with students from other universities. Please take the class only if you can participate on both days. Specific time and location will be announced later. Some of the guest speakers will use Japanese for their lectures and the instructor and fieldwork guides will provide English translations when possible.<br><br>Students are responsible for the cost of the fieldwork as well as for transportation to/from | | | | |

the fieldwork site.

You are expected to inform the instructor in advance if you must miss a class.

There will be no makeup session available for the fieldwork. If you miss more than 20 percent of the class or fieldwork, you will be asked to withdraw.

Assignments completion: It is your responsibility to attend all classes, to participate actively as a member of the class, and to complete and hand in all assigned work as required to pass this course.

METHODS OF FEEDBACK:

Feedback will be given in the form of group review meetings and 1 on 1 check ins. Students will also receive peer reviews from classmates on their final presentation.

LEARNING ENVIRONMENT:

I will make efforts to address the different learning styles of students in the class. There will be a combination of whole-class activities, individually based activities, small group work, and lecture.

Students and instructors will work together to create a safe learning environment for every-one. Harassment or bullying will not be tolerated.

REASONABLE ACCOMMODATIONS:

It is our goal that all students have an effective learning environment. Please let me know all necessary accommodations needed to make the class fully accessible.

The instructor reserves the right to make changes to this syllabus at any time.
